Doug Sahn Memorial Park  
Doug Sahn

Dough Sahn was born in San Antonio, Texas. He was one of the most influential musicians ever whose influence has touched many musical styles - country, rock and roll, Tex-Mex, and blues.

His civic contribution to the musical and artistic communities is immeasurable. He set a fine example for education by choosing to finish high school rather than join the Grand Ole Opry as a high school student - an amazing offer for a musician of any age.

This park lies in close proximity to the site of the famous Armadillo World Headquarters where Doug played so many memorable shows.

I am making this nomination to create a permanent place of remembrance for this very important individual in a city that loves music, loves his music, and is influenced today by this man's great works.

The 77th Texas Legislature passed a Memorial Resolution for Doug Sahn. The text can be found at this link - <http://www.legis.state.tx.us/tlodocs/77R/billtext/html/HR00186F.htm> <P>
